## Fingering chart for a **Grenser** flute

The chart displays two musical staves. The first staff contains notes from D to F#, and the second staff contains notes from Gb to A. Each note is accompanied by a fingering diagram consisting of three rows of circles representing the fingers of the right and left hands. Black circles indicate which finger is pressed, while white circles indicate which finger is not.

Note	Right Hand (1-3)	Left Hand (4-5)
